Domaine Raphaël Luneau, R de la Grange is a family vineyard of 30 hectares, located around 20 km at the South-East of Nantes, in the heart of the AOP Muscadet Sèvre et Maine, in the Loire Valley. Today, Raphaël carries on the family tradition and manages the vineyard with his father Rémy, following eight generations of wine growers. From the vines to the wine making, they know how to combine traditional and modern methods, in order to produce high quality wines, particularly fruity and well-balanced, while respecting the biodiversity and the different terroirs. The wines reflect the Luneau family’s experience and are regularly awarded during national competitions.
